If there is a yes in there somewhere, then an Alive2Love short-term mission trip is what we prescribe! Alive2Love Missions invites you to join our team in **Honduras** for a **life-changing, reality-altering** mission trip that will surely impact you forever.

YOU can help us bring love, hope, and joy to people who are lost, broken, and hopeless.

Some of the general activities that take place while on your Alive2Love Missions Trip will include the following: various **humanitarian projects** where we will give thousands of pounds of much-needed food, clothing, and toys; **evangelism outreach**, local church, school visits, and large-scale, **community ministry events** and MORE!

Honduras Mission Trip – 2023

Daily Activities:

Following morning sessions of worship and ministering within the team- as a group, along with their respective group leaders, will be assigned interpreters and transport vehicles/drivers and will journey to local villages where they will spend the greater part of their day ministering from house to house, sharing the Gospel and distributing food and clothing to the needy. Some teams will also be assigned to the local schools and orphanages.

At Alive2Love we believe that as you meet people's physical needs, you earn the right to meet their spiritual needs also!

Evening Activities:

During the evenings teams will be ministering to believers and bringing revival to the local churches. There will be small, medium, and large size congregations. Each team member will be expected to serve and support as they experience how other cultures worship God.
